## CERTIFIED ADDICTION COUNSELOR (CAC)

---

The CAC designation is an intermediate substance abuse credential for those persons who work in collaboration with clinical staff to develop and implement client treatment plans, as well as provide specified substance abuse treatment services.

Under the supervision of a CAP or other qualified professional, a CAC provides screening, assessment and problem identification, intake, treatment planning, individual and group counseling, observation and reporting on client behavior/progress towards treatment goals, charting/documentation as appropriate, consultation and referral to necessary resources, psychoeducational activities, and client/family/community education. The CAC does not grant qualified professional status under the Florida substance abuse statutes. A CAC may not sign a Baker Act or Marchman Act and may not diagnose or dispense/prescribe medication.

All CACs have demonstrated competency through training, experience and supervision in the performance domains of:

- Clinical Evaluation
- Treatment Planning
- Counseling
- Case Management and Referral
- Client, Family and Community Education
- Documentation
- Ethical and Professional Responsibilities

The CAC applicant will automatically earn the IC&RC ADC credential as part of the certification process.

## RECIPROCITY

---

The Florida Certification Board is a member of the International Certification & Reciprocity Consortium (IC&RC). Professionals holding an eligible certification or license in another state may be able to transfer their credential. To transfer an ADC credential into Florida, please contact your issuing board to initiate the reciprocity process. The FCB will contact you once we receive the required paperwork from the IC&RC.

**NOTE:** The reciprocal credential for individuals transferring the ADC into Florida is the Certified Addiction Counselor (CAC) credential.

## APPLICATION PROCESS OVERVIEW

---

There are two distinct phases to earning the CAC credential

- Phase 1: Apply for, submit required supporting documentation and be approved to test for the credential. Please see the [CAC Standards and Eligibility Requirements](#) section and the [CAC Online Application Components and Submission Protocol](#) section of this document for additional details
- Phase 2: Once your application file has been approved, you will sit for the credential exam. Upon passing the exam, your certification will be issued. Please see the [Candidate Guide: Examination Process Credential Award](#) for additional details.

This document provides you with the program requirements and the process steps to apply for and hold the credential through the two-phase process.

## ACCOUNT AND ONLINE APPLICATION REQUIREMENTS

---

There are several process steps involved in applying for certification.

### **To apply for the CAC credential, applicants are responsible to:**

1. Establish an online account in the FCB online system. This is a one-time activity.
2. Create an online Certified Addiction Counselor application for certification. This is the official application and payment pathway. However, there are additional forms and supporting documentation that must also be submitted to the FCB.
3. Download and complete the *Training Verification Form*. The completed form and supporting documentation can be uploaded to the online application or emailed to your Certification Specialist, once assigned.
4. Save a copy of your high school diploma or GED, or request an official transcript from the college or university. Transcripts or eTranscripts must be sent directly to the FCB. The FCB will not accept transcripts submitted by the applicant.
5. Download the *Work Experience Verification, On-the-Job Supervision Verification, and Professional Recommendation of Certification Forms*; complete Part 1 of each form; provide the form to the appropriate person(s) to complete and submit directly to the FCB on your behalf. **DO NOT** collect these forms back and submit them yourself. The FCB **WILL NOT** accept these forms or supporting documentation from an applicant.

The CAC application is considered to be successfully submitted when you have progressed through all screens and your fee has been processed. This will generate a system email notifying you that your application has been received and the initial review is underway.

Approximately 3-4 weeks later, you will receive a personal email of introduction from your assigned Certification Specialist, along with the results of the initial review of your application and supporting forms/documentation. This person will serve as your single-point-of-contact throughout the certification application, examination and award processes.

All applicants have a maximum of 12-months to earn each credential, starting from the date the application and the certification fee are received by the FCB.

The length of time for an application to be approved depends on the timeliness and quality of the documents received by the FCB. We strongly recommend that you ensure you understand the certification process and create a plan to complete all steps before completing/submitting either of the online applications.

**Hard copy applications are only available for applicants who meet ADA requirements related to accommodations for using computers and related technologies. Please contact the FCB for additional assistance.**

## CREATE AN ONLINE ACCOUNT

All applicants MUST first establish an online account with the FCB. Please go to our website at [www.flcertificationboard.org](http://www.flcertificationboard.org) and click on My Account to access the portal.

- If you have an account, simply login.
- If this is your first time working with the FCB, click on the My Account link to create a new account.
- If you have forgotten your login or password, please call the office. **DO NOT CREATE MULTIPLE ACCOUNTS.**

## CREATE AN ONLINE APPLICATION FOR CERTIFICATION

Applicants will be required to complete an online application.

CAC Application: Once you have access to your online account, select the “Apply for New Certification” button and then select the **Certified Addiction Counselor** application. See the [CAC Online Application Components and Submission Protocol](#) section of this document for additional details.

An application is considered submitted when the applicant has progressed through all of the screens, providing all system required information, and making the application fee payment.

- You can access the application for a maximum of 45 days. Applications not submitted within 45 days will be automatically deleted, including all data and attachments.
- Once the application is submitted and the fee payment is received, the application is “locked.” This means that the applicant can no longer make changes to data entered into the application and cannot add additional files of supporting documentation. Please work directly with your assigned Certification Specialist, who will make the necessary changes/updates.

## DOWNLOAD AND DISTRIBUTE/COMPLETE REQUIRED FORMS

All credential-specific requirements are documented on FCB forms. All forms are posted online, under the credential specific tab, at <https://flcertificationboard.org/certification/available-certifications/>. All forms must be filled out electronically – handwritten forms will be denied.

All forms and supporting documentation must be submitted to the FCB by the individual signing off on the form/submitting supporting documentation. Forms and documents provided by the applicant will be denied.

All hard copy documents and fee payments may be made to the FCB via mail, email or fax to (850) 222-6247.

**US Mail:** FCB ♦ 1715 South Gadsden Street ♦ Tallahassee, Florida, 32301

**Email:** Applicants are assigned a Certification Specialist when their application has been received at the FCB. Please ask the applicant for their Certification Specialist’s name and email address. In the absence of a specified person, FCB accepts email at [admin\\_assist@flcertificationboard.org](mailto:admin_assist@flcertificationboard.org).
