## REQUIREMENT

<b>Professional Recommendation Definition</b>	For certification purposes, a professional recommendation is provided by an individual who has direct knowledge of the applicant’s on-the-job performance. The professional recommendation should discuss the applicant’s work performance as it relates to the role and expectations required of the certification. While teamwork, experience and work ethic are the types of things discussed, the recommendation should give the FCB an idea of the type of individual applying for certification. <b>Individuals providing a recommendation may not be in a subordinate position to the applicant.</b>
