

Recommendation for Certification Form

DIRECTIONS

This form allows for one individual to provide a recommendation for certification. Provide a separate *Recommendation for Certification Form* to each individual who will be completing either a Supervisory or Professional Recommendation on your behalf. Recommendations for certification may not be provided by a relative, any person sharing the same household, or any person in a romantic, domestic, or familial relationship with the applicant. The same person may not complete more than one recommendation per applicant per credential.

All information must be TYPED. Handwritten forms will be denied. This is a two-part form.

- Part One is completed by the applicant and given to the individual providing the recommendation. Type of recommendation should be marked by applicant.
- Part Two is completed by the individual providing the recommendation. This individual will submit the completed recommendation form to FCB by mail, email or fax (see below).

REQUIREMENT

<p>Supervisory Recommendation Definition</p>	<p>For certification purposes, a Supervisory recommendation is provided by an individual who is in a position that includes supervisory responsibilities defined by the organization’s published job description. Qualified supervisors include the applicant’s immediate supervisor or any other agency supervisors, trainers, mentors, quality assurance staff, and any other agency management or leadership staff assigned by the employer to provide supervision for certification. If the applicant is working in a non-paid, volunteer capacity, the individual responsible for overseeing the applicant’s volunteer staff is a qualified supervisor. Individuals providing a recommendation must be in a non-peer or non-subordinate position to the applicant.</p>
<p>Professional Recommendation Definition</p>	<p>For certification purposes, a professional recommendation is provided by an individual who has direct knowledge of the applicant’s on-the-job performance. The professional recommendation should discuss the applicant’s work performance as it relates to the role and expectations required of the certification. While teamwork, experience and work ethic are the types of things discussed, the recommendation should give the FCB an idea of the type of individual applying for certification. Individuals providing a recommendation may not be in a subordinate position to the applicant.</p> <p>Please note a Qualified Supervisor who completes an <i>On-the-Job Supervision Verification Form</i> cannot also complete a Professional Recommendation.</p>
