## CERTIFIED RECOVERY PEER SPECIALIST (CRPS)

---

A Certified Recovery Peer Specialist (CRPS) helps to ensure client directed care by assisting people to build the skills and relationships needed to achieve and maintain recovery from substance use and/or mental health conditions. The CRPS achieves this goal by using their lived experience and professional preparation to mentor, monitor, and motivate others to achieve recovery. All tasks must reflect the perspective of the person served, meaning the CRPS must apply their skills to meet the individual needs of the client from where he or she is in recovery.

The CRPS has demonstrated competency through training and experience in the performance domains of:

- Advocacy
- Mentoring
- Recovery Support
- Professional Responsibility

## LIVED EXPERIENCE ENDORSEMENTS

---

One of the unique and critical characteristics of a successful peer-to-peer relationship is the active acknowledgement and use of shared lived experience to engage and encourage others in the recovery and resiliency process. The FCB indicates lived experience through the use of endorsements, which are added to the CRPS credential.

The FCB currently offers four categories of lived experience:

- CRPS-A: Applicants have lived experience as an adult diagnosed with a mental health condition or substance use disorder and are currently living a wellness and recovery-oriented lifestyle for a minimum of two years.
- CRPS-F: Applicants have lived experience as a family member or caregiver to a child or adult diagnosed with a mental health condition or substance use disorder. Individuals with the “family” endorsement have lived experience assisting adult or child family members to navigate the behavioral health services necessary to achieve a wellness and recovery-oriented lifestyle.
- CRPS-V: Applicants have lived experience as a veteran of the armed forces who have been diagnosed with a mental health condition or substance use disorder and are currently living a wellness and recovery-oriented lifestyle for a minimum of two years.
- CRPS-Y: Applicants are currently between the ages of 18 and 29; have lived experience with a significant life challenge(s)\* during the ages of 14-25; and are currently living a wellness and recovery-oriented lifestyle for a minimum of two years.

\* Examples of significant life challenge(s) include but are not limited to: substance use disorder; mental health condition; involvement in any child serving human services agency or public system such as the Department of Juvenile Justice or the Department of Children and Families; or any hardship condition that puts the individual at risk of a mental health condition or substance use disorder.

The FCB understands that many applicants will align with multiple categories of lived experience. As lived experience is documented by attestation, the FCB does not limit the number of endorsements that can be held. However, **at the time of application, you must choose a primary endorsement. Half of the work experience hours must be spent providing peer support to others with this same shared lived experience.**

### ADDING ADDITIONAL ENDORSEMENTS

Applicants are strongly encouraged to apply for all endorsements they align with at the time of application however the online application system only allows for the selection of your primary endorsement. For additional endorsements, you will need to complete the *CRPS Lived Experience Attestation Endorsement Form*, which can be found on FCB’s website at [www.flcertificationboard.org](http://www.flcertificationboard.org) under Credentials, and email it to your Certification Specialist. If, after the CRPS credential and endorsement(s) is issued, you want to add an additional endorsement, please contact the FCB for assistance.

## APPLICATION PROCESS OVERVIEW

---

There are two distinct phases to earning the CRPS credential

- Phase 1: Apply for, submit required supporting documentation and be approved to test for the credential. Please see the [CRPS Standards and Eligibility Requirements](#) section and the [CRPS Online Application Components and Submission Protocol](#) section of this document for additional details
- Phase 2: Once your application portfolio has been approved, you will sit for the credential exam. Upon passing the exam, your certification will be issued. Please see the [Candidate Guide: Examination Process Credential Award](#) for additional details.

This document provides you with the program requirements and the process steps to apply for and hold the credential through the two-phase process.

## ONLINE APPLICATION REQUIREMENTS

---

There are several process steps involved in applying for certification.

**To apply for the [CRPS](#) credential, applicants are responsible to:**

1. Establish an online account in the FCB online system. This is a one-time activity.
2. Create an online [Certified Recovery Peer Specialist](#) application for certification. This is the official application and payment pathway. However, there are additional forms and supporting documentation that must also be submitted to the FCB.
3. Download and complete the *Training Verification Form*. The completed form and supporting documentation can be uploaded to the online application or emailed to your Certification Specialist, once assigned.
4. Save a copy of your high school diploma, GED or transcript for your highest level of education completed.
5. If more than one endorsement is requested, download and complete the *Lived Experience Attestation Endorsement Form*.
6. Download the *Work Experience Verification, On-the-Job Supervision Verification, and Professional Recommendation for Certification Forms*; complete Part 1 of each form; provide the form to the appropriate person(s) to complete and submit directly to the FCB on your behalf. DO NOT collect these forms back and submit them yourself. The FCB WILL NOT accept these forms or supporting documentation from an applicant.

The CRPS application is considered to be successfully submitted when you have progressed through all screens and your fee has been processed. This will generate a system email notifying you that your application has been received and the initial review is underway.

Approximately 3-4 weeks later, you will receive a personal email of introduction from your assigned Certification Specialist, along with the results of the initial review of your application and supporting forms/documentation. This person will serve as your single-point-of-contact throughout the certification application, examination and award processes.

All applicants have a maximum of 12-months to earn each credential, starting from the date the application and the certification fee are received by the FCB.

The length of time for an application to be approved depends on the timeliness and quality of the documents received by the FCB. We strongly recommend that you ensure you understand the certification process and create a plan to complete all steps before completing/submitting either of the online applications.

**Hard copy applications are only available for applicants who meet ADA requirements related to accommodations for using computers and related technologies. Please contact the FCB for additional assistance.**

## CREATE AN ONLINE ACCOUNT

All applicants MUST first establish an online account with the FCB. Please go to our website at [www.flcertificationboard.org](http://www.flcertificationboard.org) and click on My Account to access the portal.

- If you have an account, simply login.
- If this is your first time working with the FCB, click on the My Account link to create a new account.
- If you have forgotten your login or password, please call the office. DO NOT CREATE MULTIPLE ACCOUNTS.

## CREATE AN ONLINE APPLICATION FOR CERTIFICATION

Applicants will be required to complete an online application.

CRPS Application: Once you have access to your online account, select the “Apply for New Certification” button and then select the **Certified Recovery Peer Specialist** online application. See the [CRPS Online Application Components and Submission Protocol](#) section of this document for additional details.

An application is considered submitted when the applicant has progressed through all of the screens, providing all system required information, and making the application fee payment.

- You can access the application for a maximum of 45 days. Applications not submitted within 45 days will be automatically deleted, including all data and attachments.
- Once the application is submitted and the fee payment is received, the application is “locked.” This means that the applicant can no longer make changes to data entered into the application and cannot add additional files of supporting documentation. Please work directly with your assigned Certification Specialist, who will make the necessary changes/updates.

## DOWNLOAD AND DISTRIBUTE/COMPLETE REQUIRED FORMS

All credential-specific requirements are documented on FCB forms. All forms are posted online, under Credentials at FCB’s website, [www.flcertificationboard.org](http://www.flcertificationboard.org). All forms must be filled out electronically – handwritten forms will be denied.

All forms and supporting documentation must be submitted to the FCB by the individual signing off on the form/submitting supporting documentation. Forms and documents provided by the applicant will be denied.

All hard copy documents and fee payments may be made to the FCB via mail, email or fax to (850) 222-6247.

**US Mail:** FCB ♦ 1715 South Gadsden Street ♦ Tallahassee, Florida, 32301

**Email:** Applicants are assigned a Certification Specialist when their application has been received at the FCB. Please ask the applicant for their Certification Specialist's name and email address. In the absence of a specified person, FCB accepts email at [admin\\_assist@flcertificationboard.org](mailto:admin_assist@flcertificationboard.org).
